Korean Phone and Internet Phrases Teacher Notes

Level: Beginner**Skills: Reading • Writing • Speaking****Time: 15–20 Minutes**

1 Learning Objectives

- Learn 8 beginner Korean words or phrases.
- Read Korean with romanization as temporary support.
- Write key Korean words by hand.
- Use the target language in a short beginner conversation.

2 Materials

- Pencil
- Eraser
- Printed worksheet
- Optional notebook

3 Suggested Timing

- Vocabulary: 5 minutes
- Trace/write: 6 minutes
- Quiz: 5 minutes
- Speaking: 4 minutes

4 Teaching Tip

Model 와이파이 aloud first. Ask learners to repeat the word, point to the English meaning, then write it once without looking.

5 Extension Activity

Have learners create a two-line mini dialogue using 와이파이 and 비밀번호. For extra speaking practice, one student asks the question and another answers using the target vocabulary.

Assessment idea: Learner can read, match, and write at least six target words without help.
